Information for Voucher Partners

Foodbank in Seaton operates using a voucher system. FBS invites Voucher Partners to issue Foodbank Vouchers to those they decide are in need of Food from FBS.

Voucher partners are asked by FBS to:

- Nominate a FBS contact person to liaise with FBS as necessary.
- Issue FBS vouchers having assessed that a person and their family is in food crisis – FBS criteria is simply that a person ‘has very limited food and very limited means of obtaining food.’ Vouchers entitle the bearer to a weeks food and some other essential items for them and their immediate family. Vouchers should not normally be issued on more than 3 consecutive occasions without consultation with the FBS manager.
- Advising the FBS manager on 07598 927997 that a voucher has been issued and any necessary additional information as necessary. Please **do not** pass this contact number on to voucher recipients.
- Advise the voucher recipient that the Fodbank is open on Wednesday Afternoon 2pm – 4pm at No1 Harepath Road, Seaton. Under exceptional circumstances alternative arrangements for food collection may be made between the Voucher Partner and the FBS Manager.
- Continue to advise clients of ways to progress their situation within your own field of expertise

Please contact Simon on 07899 086169 for more information

Thank you for partnering with Foodbank in Seaton.
